Description

**Black rechargeable cover for iPhone 4 and 4s**

**iPhone case with additional battery**

## Extra energy for your iPhone

This modern and lightweight rechargeable case made of ABS hides an additional 1450 mAh lithium battery which makes it rechargeable and doubles the autonomy of your iPhone.

### How it works:

you can charge the cover with built-in battery individually or with the iPhone inserted, once the two devices have been recharged, you can use normally your iPhone; when it is discharged by pressing a button, the case will automatically recharge your iPhone, **just to don't be abandoned by your battery!**

**Two colors aviable:** White and Black

Compatible with 4 and 4s models.
