Description

Grey rechargeable case for iPhone 4 and 4s

Rechargeable cover with additional battery for iPhone

Extra energy for your iPhone

This rechargeable cover with front flip protection hide a supplementary 1450 mAh lithium battery that **doubles your phone's autonomy**

Covered in soft eco-leather, the battery cover is pleasant to the touch it is available in **9 color variations**.

How it works:

you can charge the case with integrated battery individually or with the iPhone inserted, once the two devices are charged, use your iPhone normally; when it will have a low battery level, by pressing a button the case will automatically recharge your appliance,

just to don't be abandoned by your battery!
