Description

White RECHARGEABLE case for iPhone 5 and 5s

iPhone case with additional rechargeable battery custodia

Additional energy for your iPhone

This modern and ultra-light rechargeable case made of ABS hides an additional 2,400 mAh lithium battery which makes it rechargeable and **doubles the autonomy** of your iPhone.

How it works:

you can charge the cover with built-in battery individually or with the iPhone inserted, once the two devices have been recharged, normally use your iPhone; when it is discharged, by pressing a button the case will automatically recharge your appliance, **just to don't be abandoned by your battery!**

Aviable in two colors: White and Black

Compatible with 5 and 5S models.

APPLE approved connector
